<TEXT>I do not want to pay more for my telephone service! I urge you to reject a flat fee proposal that would change how contributions are made to the Universal Service Fund. I am concerned that this proposal could make my current service unaffordable.

I take care of my elderly disabled mother, my cell phone is a LIFE LINE. I have to have it so my mother can contact me when I have to leave the house. I also need it when my regular phone line goes dead. I drive an 1986 automobile, I use it for car emergencies.

This is not a toy, IT IS A LIFE LINE

Keep the USF Fair!

Sincerely,

Marletta Noe
